

Pentucket Reads 2010

Pentucket Peer Reviews

Pentucket Peer Reviews is a summer reading program designed to celebrate reading while keeping students' minds engaged during summer vacation.

The lists below contain grade level appropriate books for the middle school student. Students will choose two books from the list and create a review card for each. The review cards will be due the first week of school to your child's English teacher. The guidelines for creating the review cards can be found on the back of this sheet. The completed review cards from grade seven and grade eight will be filed in the classrooms so that students will have access to a review by their peers to help them make new reading selections.
